

Pallinup stud, Gnowangerup, for \$3800.

This son of 392 – from a Netley Park family – also carried a quality fleece of wool, recording a 19.6 micron, 3.2 SD, 16.3 CV and 99.6pc CF. It had a 40mm EMD and weighed in at 99.5kg.

This ram was one of three bought by the Pallinup stud at the sale.

Other higher prices included \$3500 paid by PE Stutley & Son, Gnowangerup, for an 18.4 micron, 3.5 SD, 19 CV and 99.9pc CF ram and \$3400 for lot one, which went to Heal Farming, Three Springs.

A long-time supporter of the Willemenup stud, Heal Farming took two rams on the day paying \$3100 for the other.

In terms of buying in volume it was Colin and Jill Egerton-Warburton, Cranbrook, that ended the sale with the most rams in their name.

They took 18 in total paying up to a top of \$2700 twice.

Landmark Breeding Services had several buying orders and was active on 15 rams in the catalogue, while Tapscott Pastoral, Jerramungup, bought nine to a top of \$1800 twice.

GH & PG Kowald, Kojonup, were also active throughout the sale taking nine rams in total, while GA & JC Macinnes, Brookton, bid successfully on seven, as did Schilling Enterprises, Beverley.

Elders auctioneer Preston Clarke said the sale got off to a flyer.

“It was red hot in the front end with loyal clients back again to buy big numbers,” Mr Clarke said.

“Willemenup has clients that are prepared to pay for the sheep they want and this was evident today.

“I think the investments in genetics the stud has made in recent years are shining through and buyers are appreciating the quality on offer.”

Landmark auctioneer Mark Warren (left), with Curlew Creek Poll Dorset stud connections Shelby and Collyn Garnett and the \$2800 ram that topped the Curlew Creek sale last week. The ram was bought by Bradscott Pty Ltd, Narrogin.
